

## **LOADING OF SPRAYERS ON MUNICIPAL ROADS**

That no rate payer or non-rate payer is allowed to park any equipment on any municipal road at any time unless forced to do so because of excessive wet conditions. If equipment is parked on the municipal road, reflectors, flares or triangles must be used. Fines will be imposed according to the general penalties bylaw for those found not following this policy.

Policy Adopted 2014

Policy Revised 2016
